LIQUID BIOCELL™ SKIN

PRODUCT DESCRIPTION:

Liquid BioCell™ SKIN is an advanced liquid collagen supplement that is scientifically formulated with Liquid BioCell™, an ingredient that nourishes and supports the skin and joints. It's formulated with the patented, award-winning science of Collagen/HA Matrix™ Technology plus 14 phytonutrient-rich fruits, ceramides and added vitamin C for collagen production, all in a unique low molecular weight liquid delivery system for fast results.

PRODUCT BENEFITS:

- Made with the award winning super nutraceutical Liquid BioCell™
- Exclusive multi-patented Collagen/HA Matrix™ Technology
- Transforming the way we feel about ageing
- Nourishes the skin from within
- Natural source of type II collagen, chondroitin sulfate and hyaluronic acid
- Natural fruit extracts and concentrates
- An effective dose of vitamin C to support natural collagen production, cartilage and connective tissue, skin function and gums
- Added benefits of 14 phytonutrient-rich superfoods
- Exclusive to Modere®

POSITIONING STATEMENT:

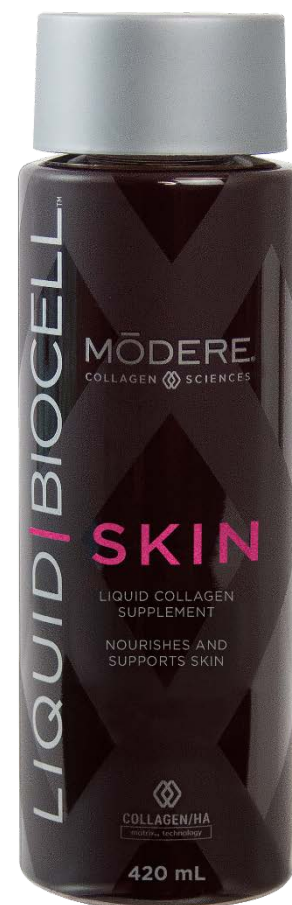

Change the way you feel about ageing and replenish important substances in your diet with Liquid BioCell™ SKIN. Liquid BioCell™ SKIN features the patented, award-winning science of Collagen/HA Matrix™ Technology with an effective dose of ascorbic acid, otherwise known as vitamin C. Liquid BioCell™ SKIN also includes 14 phytonutrient-rich fruits, ceramides, pomegranate, bamboo, green tea and grape seed extracts all in a unique liquid delivery system.

Vitamin C is an essential nutrient that specifically targets skin function, collagen production, cartilage and connective tissues, even your gums.

Liquid BioCell™ is so remarkable that it has been awarded 7 U.S. and international patents and multiple industry awards. It has also been featured on NBC, Good Morning America and Fox News.

DIRECTIONS/USAGE:

Shake well before each serving. Drink 15mL (just one tablespoon) twice daily for optimal results. Refrigerate after opening to maintain shelf life. Do not freeze. Store unopened container out of direct sunlight and at room temperature.

KEY INGREDIENTS:

- *Liquid BioCell™*
- *Ceramides*
- *Vitamin C*
- *Bamboo Extract*
- *Green Tea Extract*
